

WELCOME TO **KENTUCKY STATE UNIVERSITY** 4-H YOUTH DEVELOPMENT PROGRAM

IN 4-H, ALL YOUTH ARE WELCOME

4-H is an out-of-school, hands-on learning program for youth ages 5-18. Youth choose a project that's interesting to them and explore it with peers and caring adults. 4-H clubs are groups of youth who want to learn together and meet with other youth across Kentucky.

WHAT CAN I DO IN 4-H?

The sky's the limit! 4-H offers learning experiences in science, engineering, technology and math (STEM), photography, agriculture, healthy living, civic engagement and much more. We do one-day events, year-long projects and everything in between. There are many ways to get involved in 4-H programs.
